TECHNICAL SKILLS

Languages: Javascript, HTML, CSS

Applications: GitHub, Git

Tools: Node, jQuery, Bootstrap

WORK EXPERIENCE

December 2014 – July 2015

Netfortris

Enterprise Account Manager

Georgetown, Washington

I managed large scale accounts for a secure cloud-based telecommunications company on a national level.

- Work included fielding technical and account questions, drafting customer facing documents, and reporting to internal executive and management teams.
- Offered promotion to team lead but left company to pursue other opportunities.

March – November 2011

The Rice Company

Brand Ambassador

Seattle, Washington

I was recruited and joined the “U Crew Team” to represent Microsoft across the campus of The University of Washington.

- We demonstrated Microsoft products across campus, notably the new release of Windows 7 and Microsoft Office.

EDUCATION

2014 – 2015

University of Washington

Certificate in Audio Production

I learned the principles of audio engineering in the classroom and at various studios around the greater Seattle area.

2009 – 2014

University of Washington

Foster School of Business

Degree in Business Administration: Information Systems 3.33 GPA

2005 - 2009

Bellevue High School Scholar-Athlete,
3.7 GPA.
